Jesus Christ the same yesterday, and to day, and for ever

L-54 You don't understand; it's just not... There's no need of trying to explain it; it's in another world; it's something that God knows what was, what is, and what will be. Don't you believe that?

Now, if the Lord Jesus will come on the scene tonight, and will perform and will do just as He did when He walked Galilee, how many of you say, "It'll make me love Him more."?

Now, how many in here does not have a prayer card, but you want Jesus to heal you, raise up your hand? All right, it's just everywhere. Now, just believe. Remember, while one's being healed here, there's dozens healed out there. You remember this. You pastors, after I'm gone a long time, you'll hear women coming, men coming, "Stomach trouble left; cancers got well." Why, you--you just can't call them all; there's just so many. But God blesses; just keep believing. God will grant it. God's out there; this is just merely that you might know that He is, and a Rewarder of those...

L-55 Now, how many know that Jesus Christ, when He was here on earth, that a woman touched His garment, and He turned around and said, "Who touched Me?" And all of them

can happen. That diabetes will leave you if you believe it. Go on your road and rejoice. What do you think about it? He's the Lily of the valley, the Morning Star.

L-85 If you'll believe for that anemic condition, it'll leave you. You believe it? Go on your road, rejoice then. Do you believe? Let's believe with all of our heart.

If you believe, go eat your supper. That ulcer that was in your stomach, has left you. Go eat. Believe.

If you believe, you won't have to die. That cancer left you. You believe it? Go and rejoice. How many believes with all your heart? Stand up on your feet just now. Raise to your feet, right quick. Raise up your hands right...?... to God. Now, with one accord, pass every barrier. Believe that God is here, and the sickness and diseases shall leave. Every person pray in your own way.

L-86 O Lord God, Creator of heavens and earth, I now bring this to You, this audience of people. I condemn the devil. I claim that Jesus Christ, God's Son, is present. In the Name of the Lord Jesus, let every unclean spirit of doubt, superstition, unbelief, and sin, depart out of this building. Come out, Satan. I adjure thee, by Jesus, the Son of God.

Each one of you, lay your hands over on one another now and pray for each other, everywhere in the building, and God shall make you well. Believe it with all your heart. Lay your hands over on one another. Start praying for each other. That's it. That's the way. All that believe that you're healed, raise up your hands and praise God. All right, Brother Neville.

denied it, till he found the women, what her trouble was, and told her, and said her faith had healed her. How many knows that? Well, if He's the same yesterday, today, and forever, and the Bible said He's a High Priest, right now, that can be touched by the feeling of our infirmities... Is that right? Well then, if He's the same High Priest, He'd have to act the same, wouldn't He? All right, you believe it now with all your heart. Going to pray for these here. Now, let's bow our head.

Lord God, I bring to You these handkerchiefs. People are waiting for them, Lord. We're taught in the Bible that they taken from the body of Saint Paul, handkerchiefs or aprons, unclean spirits went out of the people, and they were healed. We know we're not Saint Paul, but we know that You're still Jesus; and it wasn't Saint Paul to begin with, it was You, Lord. But they seen that Your servant had been blessed by You, and he was Your representative. They had faith. Lord, these people are--are just as loyal; they believe when they see these things happen. I pray God, that You'll bless these handkerchiefs for their intended purpose. [\[Mark 5:30, 34\]](#), [\[Hebrews 13:8\]](#), [\[Hebrews 4:15\]](#), [\[Acts 19:12\]](#)

L-56 And one writer said, "That when Israel was cut off by the Red Sea from the promised land, that God looked down through that Pillar of Fire with angry eyes, and the Red Sea got scared and moved back; Israel went on its road to the promise land. God grant tonight, that not only You will look through the Pillar of Fire, but through the Blood of Jesus, and look at the enemy that's got these people cut off from health. And may the devil get scared when these handkerchiefs are laid upon them, as a token of this meeting tonight. And may he move away, and the people go on to that promise of good health. Grant it, Father, I send them for that purpose. In Jesus' Name. Amen.

[Request is made: "Will the organist please come to the organ at present, please come to the organ."--Ed.] You may get your handkerchief immediately after service.

L-57 Now, here we are. Now, as soon... If they take me from the meeting, let some of you minister brothers, now... See, you have just the same right that any other man does; God answer your prayer just the same as He'd answer mine. He will answer anybody's prayer, that will believe what their praying for. See? Now, usually I don't pray for the people; it's a Divine gift to make people recognize that Christ is not dead but is a living. Well, if He's a living, surely He'd keep His Word.

Now, you out there, that has not a prayer card, you just keep praying. Look this way and say, "Lord, I'm going to believe You with all that's within me; I am going believe. Let me touch Your garment." If you're real sick, tell God; say, "The doctor says I'm going to die, but Lord, Your promise says I can live; so I am looking to You. Confirm it to me tonight. Brother Branham, don't know me, but just let him turn around, and You confirm it to me through him, and let him act in the same way that You acted when the woman touched Your garment." See if He will do it. If He don't, I am a false prophet of His Word. If He does, I've told the truth, and He is alive. If He's dead, we can be a Mohammedan, Buddha, don't make any difference, it's psychology anyhow. But if He's a living, He's a living God.

Now, just be real reverent and pray, don't doubt, but believe.

L-58 Prayer line...? Missing? Got--all the people got lined up? All right. Now, as soon as this prayer line ends, I want the minister to come right up here, some of you brethren, continue on the prayer line, just as you go on, let everybody be prayed for.

Now, I suppose that everybody in here realizes that you're all strangers to me. The only person, really, that I could say I know is two men that I know of, one right here and one here; that's Brother Goad and the Brother here. I ought to know this man, but I, somehow I can't call it. I don't know you, no, I don't. Look like I'd seen you somewhere.

ask God to cast that out of the baby, the baby will live? Bow your heads. Now, the baby's too little to have faith. See? O Lord, God, they brought to You infants and You blessed them. And that same Jesus stands present now. I condemn this devil that's trying to take the life of this infant child. Leave it, Satan; in the Name of Jesus Christ, come out of the baby.

Now, take it. Don't disbelieve. The thing will leave the baby. Have faith.

L-83 Dad, setting there with your head bowed, with that gallbladder trouble, I don't know you, but He knows you. You suffer with gallbladder attacks, and you have a great pressure in your chest. If that's right, wave your hand. Do you believe me to be His prophet? Then go home from this meeting and never suffer with it again. Be well in the Name of the Lord Jesus.

You believe me to be His servant? If God will tell me your trouble, will you believe with all your heart?

Now, there's something happening in the building. Just keep on believing, but there's something coming in strong, so strong... There's a colored woman standing by the side of this lady. Just keeps fading... I see a colored woman... She's setting right back here. She's got arthritis and complications. She's setting right next to Mrs. Bell, there, she's got a black hat on. I don't know her. But sister, if you'll believe God, the way you was promising Him then you would believe Him, it'll be over.

L-84 Now, that you might know that this be the Spirit of God, the next row behind the woman, a man setting there with trouble with his neck, if you'll believe, sir, God will make you well, if you'll believe it. Do you believe it? Raise up your hand. I'm a stranger to you but He's not. See, wherever you are, just have faith in God.

Can you pass that barrier of unbelief now? Can you let the Holy Ghost come right in now and take over? If you can, it

idea what you're here for? If that's right, raise up your hand. But it would be--have to come through some supernatural discernment. I'm so glad that He's the same yesterday, today, and forever.

You're not asking prayer for yourself, though you need it. You're asking for your son. And your son is not here. He is in a large city, a big city. And it's in the East. I've been there. My last campaign was there, Philadelphia. That's right. He's a preacher. And they're going to operate on him, and they're examining him for a--a rupture. That's THUS SAITH THE LORD. You believe that God will do what you're asking Him to?

O eternal God, confirm the woman's faith with sign and wonders. Grant the deliverance of this who--what she asked for, through Jesus Christ's Name I ask it. Amen. May God give to you that what you asked for.

L-81 Now, be reverent. A little lady with her handkerchief up to her nose, praying for a trouble with her head, you believe the Lord Jesus make you well? The lady setting right here by the man with glasses on, you believe that God will heal you, little lady with the blue looking dress on? Raise your hand if that's what was... Go and be healed; your faith makes you well.

Do you believe Jesus Christ, God's Son, could reveal to me what you're here for? You have many things wrong with you, and very nervous, complications, female trouble, lady's trouble, almost a breakdown, terrible conditions. You're not from this city, yet you're from Indiana, Lafayette. Mrs. Ellison, return. You're sickness has left you. Go home and show what God has done for you. Amen.

L-82 Do you believe that God can tell me what you're here for? If He will, will you believe Him with all your heart? You're not here for yourself; you're here for that baby. If God will tell me what's wrong with that baby, will you believe me? It's a blood tumor. That's right, isn't it? You believe if I will

How many out there strangers to me, and I know nothing about, raise up your hand. I do see Brother and Sister Wood setting there, setting back there. They're neighbors to me, setting right back there in the middle aisle. He was a Jehovah Witness. I wish we had time to tell what happened, Brother Banks; we haven't.

L-59 How many heard the story of the resurrection of the little fish not long ago, on the waters, raise your hands, read it in a book? Brother Wood, setting right here, was present to see it take place, seen it told the day before. That right, Brother Wood? See, that's right. Seen many a thing...

You just see the little side of it, just what's right here. That would almost get you to wonder. You ought to follow along awhile. Look what the Queen said about that gift there; she said, "Blessed are the men that minister with you, that see this great thing daily." See? They go along and see what takes place. [\[I Kings 10:8\]](#)

L-60 But what takes place in the meeting's a amateur thing here. The great visions take place out of the meetings. You're doing this with you're own faith; you're using God's gift here now. But when God uses His own gift, it's a lot different. The woman touched Him, and He felt virtue go from Him, but He... God gave His Son a vision, send Him away, 'cause Jesus said, "I don't do nothing till the Father shows Me first," is that right? Saint John 5:19. Everything He did, the Father showed Him by vision what to do. Except the people that touched Him, like that, then He... Their--their faith pulled it. Or the Pharisee's who criticized Him, He could perceive their thoughts.

That wonderful One friends, is here tonight. How many's ever seen the picture of it, raise your hands? It's right here in the building; they got it. Gene, have you all got those pictures? Do you bring them up here at the platform to show them? Oh, they never brought them up. Wished I had one here, but I haven't now; however, they're back there. That same Angel is

not five feet from where I'm standing at right now. And if I never see you again till the day of judgment, find out whether that's true or not when we answer that day. Don't pay no attention to the messenger; listen to the message. [\[Mark 5:30\]](#), [\[John 5:19\]](#)

L-61 All right, which is the lady? This here? You? Come just a little closer; that's all. I suppose we're strangers to each other, lady. I do not know you, never seen you in my life. That's right, would you just raise up your hand so the people can see?

Now, here's a picture of Saint John 4. Now, everyone be real reverent. Whether He will or not, I don't know. If He does, I've read it to you from the Book. How many was here last night, raise your hand? Oh, the whole audience here. How He told just went word by word what He done, what He seen; I'm going to review that again.

Here's a man and a woman just like Saint John 4, when a man and a woman met for their first time in life. Perhaps the woman was a lot younger than Jesus was, as it is here again tonight. A man and a woman meets.

L-62 Now, in Saint John 4 Jesus was setting at a well, something like this here. And a woman come out to get water; He said, "Bring Me a drink."

She said, "It's not customary for you Jews to ask Samaritans such."

He said, "But, if you knew Who you were talking to, you'd ask Me for a drink." How many know that story? What was Jesus doing? Contacting her spirit. And when He found what her spirit, what was her trouble, then he told her what her trouble was. And then He said, "Go, get your husband."

She said, "I have no husband."

Said, "You've had five, and the one you're living with now is not your husband."

What did she say? She said, "Sir, I perceive that You're a prophet. We know when the Messiah cometh, He will do

her hands up and her eyes closed, a praying. She's got a bowel trouble and a back trouble, and she's praying for God to heal her. She's setting right here, wearing glasses, a dark suit on, right at the end of this row. You that's got your hands up, that's what was wrong with you. If that's right, raise your hands like that. I don't know you, do I? No, sir, we're strangers. Go home now; you touched the border of His garment. You touched Him, because I'm twenty feet from you, but you touched Him, the High Priest, that could be touched by the feeling of our infirmities.

L-79 Now, the rest of you... There's a lady without card, without anything, just setting there waiting. You do the same. Some... You are the wife of the man that was just here, 'cause I see you both in the same house. And you're suffering with a nervous condition. Also I see you've been to a doctor, and you've had an examination. And the examination was at the bottom part. And he says by look... It says it's growths, and that's in the stomach and in the female organs, and wants you to be operated on. But you've had faith, and believe if you'd come here, and I'd pray for you, you'd be healed. If that's right, raise up your hands, the people will see. Now, He who knows her here and knows the condition, can He do it? Come here.

Lord Jesus, grant, O God, that her faith and joy will be filled tonight, that she will be set completely free and bring joy and salvation to those who she contacts. I send her, and cast away this evil from her, in the Name of Jesus Christ. Amen. You feel different now. Just keep feeling like that and rejoicing. It'll leave you for good, forever.

L-80 How you do. Just be real reverent, just a moment. As far as I know, our first time meeting, but God knows us both. He knows about you, and He knows about me. And if He will reveal to me what you're here for, or something that you've done that you should not have done, or something you ought to have done that you did not do, but you know that I have no

prayed for. It's somebody else you want to be prayed for. That's a--a girl, a little girl. And you're not from this country. You're from a--near a--a big lake, somewhere. It's a... You're from a city that's near a great city, that's got a big do... It's Buffalo, New York. You're near Buffalo, New York. You have high blood pressure. That's what's wrong with you, but you're praying for this child. You believe me to be His servant? You're Mr. Holden. That's your name. Return back and receive what you've asked for. Put that handkerchief on it; it'll be over. Don't doubt...?...

L-77 Do you believe Jesus Christ lives? What is it? The Unseen becomes visible. What is that? The same Jesus, the same fruits, the same signs, the same thing that He did.

Now, here's a woman next. I speak to her like He did the woman at the well. Are we strangers to each other? We are. So the people will know on the outside, just you--just raise up your hand so... This is our first meeting. We're strange to each other? Now, I don't know what the man had, a few minutes ago, but whatever it was, I didn't have nothing to do with his healing; God did that. His faith did that.

I had nothing to do with it. It's just a gift, for in this building now, is just the same kind of Angels that Gehazi seen when Elijah opened his eyes. In this building is the Lord Jesus. So don't look at what you see. Look at what you don't see, because it's a promise of God, that God said He'd do this, and He's doing it.

L-78 Now He talked to the woman just a minute till He found what her trouble was. And that's the way I would like to do to you, because He remains the same. If I'm a stranger and don't know you, then He will... It'll have to be some way, some supernatural some way, to contact you. Would you believe that was your Lord, was permitting me to do that?

Now, if you want to know, there was something happened in the building just then, a healing. It's a lady setting here, right out here in the audience, kind of a heavy set lady. She's got

these things, but Who are You?"

He said, "I'm He that speaks to you."

Now, that was the sign of the Messiah, is that right? And she run into the city, and wa--watch what she told her people: "Come see a Man Who told me the things I've done, isn't this the very Messiah?" [\[John 4:7-10, 16-19, 25-29\]](#)

L-63 When He did that to a Jew, what did that Jew say? "Rabbi, You are the Son of God; You're the King of Israel." But the big starchy church stood around and said, "That man's a fortuneteller, the devil." They're in hell tonight. Nathanael's name's immortal; he is immortal with it; so is the woman at the well.

Now, if Jesus remains the same yesterday, today, and forever; I don't know the woman, don't know her nationality, don't know nothing about her, but He can tell me. And if He can tell me what's wrong with the woman, or something another like He did the woman at the well, let her be the judge. Now, if I said, "Lady, you're sick. Going to lay my hands on you. Hallelujah, you're going to get well." She could believe that; that'd be all right; that'd be all right. [\[John 1:49\]](#), [\[Hebrews 13:8\]](#)

L-64 And if that's a gift God's give you brethren, stay with it. That's where God wants you. You'll never make a eye, if you're a ear; you remember that. You'll only mess up the body until you get your right place and abide there in your calling. If you're a deacon, stay a deacon; you're pastor, stay a pastor. Don't try to be something that you're not; be just what you are. If you're just a finger or fingernail, be a good one. God will give you your place in glory.

Now, if the Holy Spirit will reveal to me that what you're here for, what's your trouble, or something another that you know I know nothing about, then you know that'll have to come from the Holy Spirit, or some Spirit, wouldn't it? It'd have to be. How many will witness that? It'd have to be from some spirit.

L-65 Now, if it comes, and after me preaching the Gospel, as a minister of the Gospel, right clearly from the Bi--Bible... Year after year, I'm forty-nine years old; I saw visions since I was just a baby boy, not over two years old. Not one time has one ever failed out of the millions. Won't fail now, 'cause it's God, can't fail.

Now, you know a fortuneteller guesses, telepathy. They say, "You take a number, and let me concentrate, and see what you're, what number..." That's nonsense. It ain't even ten percent right. That's right. God's perfect. This is not back in some room under a ouija board; it's right out here in plain view of two thousand people, or more, certainly.

L-66 Our first time meeting. God knows you, and He knows me. And if He will, by His mercy, let the blessed Holy Spirit, Who--Who we'll stand in His Presence someday to give an account of our life... If He will let me know what's wrong with you, or something like He did the woman at the well, something that you know I know nothing about, you will receive, and believe that He's true, and it is Christ, will you believe it? May He grant it.

Now, if the audience can still hear my voice, the lady's plenty aware that something's going on. Between me and the woman stands that Light like a Pillar of Fire, and It bypasses the woman. It stands out to her side; she's not here for herself; she's here for somebody else. That's right. And it's something about a accident; it's a automobile accident. It's a girl; it's your niece. She was in a automobile accident, is in a hospital now, and there's something wrong with her really bad with her head, and you've been sent here to stand in her place to ask for prayer: **THUS SAITH THE LORD.**

L-67 Now, you be the judge. Was that all right? If it is, wave your hand like this. Now, whatever you ask, the Light, or what... The Light that was with you, Who said that, has blessed the person that you're standing for, go back and

known here, that Jesus lives and will tell the man--then let him be the judge whether it's right or not. And then, would that make all of you believe Him, that He is visible here? That's His being. Now, He can't show Hisself in a corporal body; it's His Spirit. [\[John 1:42-51\]](#)

L-74 Now, He permitted His picture to be taken there. You see that, which the scientific world has in Washington, DC Same Angel of God, same Pillar of Fire, Who dwelt in Jesus, done the same thing to the--to Philip, or Nathanael, the same Jesus promised to come and dwell in us and do the same works. Everybody understand well now? All right.

Now, Lord, let it be known that Thou art God, and that we are Your servants. Then You love us, and You're wanting these people to believe You, and to pass up all the barriers of sin in the world, that they might be saved and healed, for Your glory. Amen.

L-75 Now, just to say like Peter did at the gate called Beautiful, to the man that was lame from his mother's womb, he said, "Look on us." That was just a... a... to believe, to get him to... his attention, to catch his attention like our Lord did the woman at the well. He caught her and called a conversation. Said, "Bring Me a drink of water." He went on talking.

Now, if I don't know you, you're just a man that's out there in the audience. And if I don't know you, and the Lord will explain to me something that you have done in your life, or what you're desiring for--finances, health, or whatever it is--and will make it truly and clearly, then you'll believe that He's here to give you what you're asking for? You'll do that? All right. Reverence now. [\[John 4:7\]](#)

L-76 Now, just be in prayer till the Holy Spirit begins to settle on us.

Yes, I see this man. And he... I see a little person that's standing near, he's in question of, or he's wanting to be

time meeting. How do I know that man? I don't. God knows, as far as I, as far as I know, I've never seen him in my life. There's a perfect stranger.

Now, I have said that Jesus Christ is the same yesterday, today, and forever. Now, that's basing a lot of faith. If that's not so, then I'm found a hypocrite and the Bible a lie. Now, what do I have to do now? Look to some intellectual thing? How can I? I've got to look to the Unseen. But why am I doing it? He promised it. There you are. Now, you do the same. And you do the same, all of you. Do the same. It can't fail.

L-72 I could fail. You could fail. But God can't fail. Now, here's two men, met the first time in their life. Now... so it... I'm... Take my time... Now, this is a Scriptural scene: there was a man who went and got a man and brought him to the church a where Jesus was at, and his name was Nathanael. Jesus had never saw him, so when he come up to Jesus, Jesus said, "Behold, a Israelite, in whom there's no guile." If I'd say that so that you would know what I was saying, I'd say, "There's a honest man, a Christian believer." They'd say...

Why he said, "Rabbi, why You never seen me in Your life. How do You know me? How did you know?" [\[John 1:42-51\]](#)

L-73 Now, not the way He was dressed, 'cause all the Easterners dress the same. He could been a Greek; he could been an Egyptian; he--he could been many things. But Jesus said, "He's an Israelite. And he's honest, and is no guile in him."

He said, "How did You know it?"

He said, "Before Philip called you, when you were under the tree, I saw you." That was Jesus yesterday. If He's the same today, and dwelling in us, when He promised He would, and will make known to this man, he might be here for financial troubles. He might be a man dying. He might be a man of sin. He might be a man of righteousness. I don't know. I can't tell you. But God does know it. Then if He will make Himself

don't worry. you have what you ask for.

Be real reverent. Does Jesus live? Do you believe that was the Holy Spirit? All right, then you shall see greater things than this.

I suppose this is our first time meeting? We are strangers to each other; I do not know you; I've never seen you. If that's right, just so that the people would understand and know that I do not know you. If the Lord Jesus will reveal to me what you're troubled about, or something you know that I know nothing about, would you believe then that He's interested in your trouble? All right. Now, you can take your hand down just a moment. Now, just--just be... Whatever it is, I don't know. But if He will...

L-68 If it's sickness and I could heal you... You're a woman about the age of my mother, I suppose. And if I could do anything for you and wouldn't do it, I wouldn't be fit to stand behind this pulpit. No, sir. I--I--I love my mother, and I... And you're maybe somebody's mother. And here I stand tonight to do everything I can to help you. And only thing I can do is to say what the Bible says: Jesus is raised from the dead to make good any promise that He died for.

Now, if He will reveal to you just like He did in the Bible, then you will believe me to be His servant, and I have told the truth according to His Word, and He's confirmed it by making it real to you. Now, be real reverent. It's not yourself that you're wanting prayer for; it's somebody else. And that's a little child. And I see it, and it's in a terrible condition. You're the grandmother of the child. The child looks to be about seven or eight years old. And it's both deaf, and dumb, and mentally afflicted. And that child is from, not--not here; it isn't around here. You're not. This isn't the place; it's a level country, more... It's Georgia; that's where the child is from. That's THUS SAITH THE LORD. You be the judge. You believe now? Go, receive it the way that you have believed it; may it be unto you, in the Name of the Lord Jesus.

L-69 All right, be reverent. I guess this is our first time of meeting. The Lord God knows, will judge us both... [Says, "You don't know me, but I've been in your meetings before."--Ed.] Yo--I don't know you, but you've been out in my meetings just like out there. ["And in Chattanooga."] Yeah, well, I wouldn't know you, I've no way of knowing you at all. No. All right.

Then if the Lord will let me know what you're here for, what's wrong with you, or something that you know that I don't know, then you will accept it as being from Christ. You believe me to be His servant?

You're not here for yourself; there keeps being a man come before me; and it's your brother. If God will reveal to me what's wrong with your brother, will you believe me to be His prophet? Your brother has lung trouble, and he's got something wrong with his lips. That's right. He isn't here either; he's in a... It's Georgia too. That's right.

Not only that, but you got a younger man, a young man, looks like, coming before me, that's got something wrong with his blood. And he's not in this country, but a country something like it; he's from Tennessee. And it's your son-in-law, and he has diabetes. **THUS SAITH THE LORD.** Believe now; go and receive what you asked for, in the Name of the Lord Jesus.

L-70 You believe? We are strangers to each other; I do not know you, but God does know you. Can He reveal to me what you're here for, would you believe it? Now, be real reverent. Lady, you're shadowed to death; only God can have mercy on you. You are aware of what's your trouble is; it's a tumor. And the tumor is cancerous, and it's in the head. You got one in your mouth, and you got one in your stomach. But God is a Healer. Do you believe that? Then believe Him now, and it'll all leave you. You believe God will hear my prayer? Then I curse the thing in the Name of Jesus Christ, come out of the woman and leave her. Now, go rejoicing and thank God, get well.

thought if I'd do, I'd get healed." [\[Mark 5:25-34\]](#), [\[Luke 8:43-48\]](#)

L-70 And do you believe if Jesus will make Hissself known tonight, you'll get the same thing? All right. Now, just believe, keep that in your heart. And then she walked out over in the audience somewhere, perhaps, and sit down. Jesus stopped and said, "Who has touched Me? "

And they said, "Nobody touched You." Everybody said, "We never. We never." Everybody denied it. "Nobody touched You."

And Peter said, "Lord..." He rebuked Him and said, "What would You say a thing like that for?" something on this manner. "'Who touched you?' when everybody's touching You, running against You, 'Hello, Rabbi, glad to meet You, Rabbi.'; 'Hello Jesus, Galilean prophet, we--we're so glad to meet You'; 'How do You do.' everybody's touching You."

He said, "That may be true, but I--somebody touched Me different. (That's the touch you want.) Somebody touched Me in a way that they passed the sound barrier. I felt virtue; weakness come upon Me. Strength went out of Me." And He looked around. And in Him dwelt the Spirit of God. You believe that? And He looked around over the audience until He found the person that had touched Him. And He told her her conditions and said that her faith had saved her. No vision? No, He just knew that her faith had saved her, because the pull of all the faith in there, it was so much greater in her. [\[Mark 5:25-34\]](#), [\[Luke 8:43-48\]](#)

L-71 Now, if Jesus is the same today, won't He do the same? Now, how will you know it's Him? See now, you have to submit yourself. Now, here's where I have to look to the Unseen.

Are you the first one? Where's... Who's in the... Hold the line... You, Brother Neville? Oh, then all right.

You're the first man? All right. Now, you can just walk a few steps closer, if you will, sir. Here is a man that I have--I believe you said we don't know each other, so this is our first

That's all right. Just be faithful. See? All right. Don't doubt. Just believe now, and if your card's not called tonight, just come back here tomorrow night (See?) just keep... No matter, just keep coming. See? It'll get here. And you don't have to even have your card, just believe. Watch what takes place.

L-68 And to you out there in the audience who doesn't have a prayer card, how many people in here doesn't have a prayer card, raise your hand? Looky there. Now, you without a prayer card, if these people here, I'm going to base them on a Scripture. Everything we must do, must be Scriptural from Genesis to Revelations. It must be God. As I spoke last night... It must be so from the beginning. See? Now, if you don't have a... These here that's got a prayer card, I'm going to ask--ask them Scriptures like it meant in the Bible, both men and women.

L-69 And to you out there that doesn't have a--s--a--a prayer card, I... that you won't be in the prayer line, tonight... Now, you can have prayer cards again tomorrow, but now, and he will finish out as many... And we will get them through here some way and pray for them, if you just be patiently. Don't be in no hurry. See, then you get to vibrating yourselves. See? Just stand still, say, "God, I'm here. You know me." And--and then... You say this...

There is a Scripture in the Bible where this woman had an issue of blood, and she passed through a bunch of people who was trying to get her to keep still. And she wanted to get to the Master, the Lord Jesus. And she finally got to where He was, for she said in her heart, "If I can touch that Man's garment, I will be made well." How many ever heard that story? Now, Jesus, going along with the crowd, and after a while the woman touched Him. In her heart she thought, what did she do then? That was her anticipations. When she touched that, she passed the sound barrier. That was it. She was free, for in her heart she said, "I've done exactly what I

If thou canst believe, all things are possible.

If thou canst... Be real reverent now. I'm watching a young woman here; the Light of God keeps hanging over the woman, but no vision breaks. You believe me to be His servant, a Christ's servant? I've never seen you in my life, but God knows you. If the Lord God shall reveal to me what you're standing here for, will you believe me to be His servant? Will the audience do the same? Now, all of you... I'm so weak until all of you just look like it's like one person setting there. It can... You can hardly differentiate which is vision, which isn't. [\[Mark 9:23\]](#)

L-71 Your trouble is back trouble. And it's rectal trouble. Your wife's sick too, isn't she? She wants prayer too. She had a prayer card, but it wasn't called. You believe God can tell me what's her trouble? She's got trouble with her eyes, with her head; she's got hay fever. That's right, isn't it? You're not from here, a place called, something like, Camden, North Carolina. Mr. Duvall (that's what's your name is), return home; God has answered your prayer for both you and wife. Go and may God be with you.

Miss Bordon, you're from Chattanooga; I don't know you, but you've got trouble with your feet. And you got low blood pressure. That's right. Don't you fear; you're already healed; Jesus Christ has made you well.

You're heart trouble has ceased, lady, go home, rejoice, saying "Thank You, Lord Jesus." Believe with all your heart now. Be reverent.

L-72 Is this the patient? How do you do, sonny? You're a mighty fine little boy. You like Sunday school? You love Jesus? Now, when Jesus was on earth, He took little boys like you that were sick, and He would tell them what was wrong with them, and would bless them. And then if He laid His hands upon them and blessed the little children, why, they got all right, didn't they? But Jesus died, He rose again, went up into heaven. Then He sent back His Holy Spirit, and His

Holy Spirit is here now, and He has to use somebody's hands; He has to use somebody's mouth; He has to use somebody's eyes. Do you believe He'd let me see what is wrong with you? Would you believe Jesus then, it's Jesus standing here? Not me, Him, you believe that?

I keep seeing two little boys. Here's the other little lad setting right back here; it's asthmatic condition with both of them. That's right. Stand the little lad up back there. That's right, dad. God bless you, your faith has... Satan thought he'd get by with that one. That dark streak between the two children has left; you're healed; go on your road home rejoicing, both of you. God bless you, brother. That's the way to do it. Have faith in God.

L-73 Oh, isn't He Jesus. What did they touch? What's the people touching, not me, their touching the Lord Jesus.

You believe that diabetes will leave you and you'd get well? Go on your road, say, "Thank You, Lord." Believe with all your heart.

Come, sir. I do not know you. Just a moment. This man's got stomach trouble. That man setting right back out there, praying, right in there, has got stomach trouble too. You were praying, and you're both healed. Jesus Christ makes you both well, go on home and eat what you want to; God has made you well.

And you had stomach trouble also, so you was healed the same time; just keep on going and praising God.

Oh, the Lord Jesus lives and reigns. Do you believe? Have faith now, don't doubt.

The lady setting there, at the end of the seat, suffering with varicose veins, you believe the Lord God will make you well? You believe it; you can have it.

Setting second in there, with the--got kind of a heart trouble, and a tumor. You believe God healed you? All right, you can have your healing. Go on your road rejoice and say, "Thank You, Lord."

Oh mercy, here's a black shadow, cancer. Do you believe God will heal you? You know, that's right, mother. Stand out. Everybody that's bothered with cancer, stand to your feet, anywhere.

Now, they're touching me in the back; I know that means that I'm about to fall. You see? So just a minute.

58-1003 - Branham Tabernacle, Jeffersonville, IN (Paragraphs: 65 - 86)

L-66 Now, I want to know that you all in this line, that's standing in the line here now, I want to ask you this question: Do you solemnly believe that Jesus Christ is the Son of God? And you believe that He has risen from the dead, and He is not dead now but He's a living? Do you believe that--that He can perform and do the same that He did when He was here on earth? And you believe that He has sent His Spirit into His church to continue His work on?

How many of you is strangers to me, raise up your hand, I don't know you? All right. I don't know you. All right. Was that every hand, all the hands was up that they didn't know me? All right. I am a stranger to those people. I have never seen them. How many in the building is strangers to me, that I don't know you? Nobody, you don't have to be up here, just anywhere. Well, I see over half the congregation is strangers. All right.

L-67 If I be then a stranger to you, I want to ask you out there in the--the audience. If Jesus was a living today... And see if this is the Scripture... One time there was a woman who had a--a great thing wrong with her, an issue of blood. She'd had it for about twelve years, I believe, or longer. And she spent all of her money to the doctors.

Here's two girls setting here in wheelchairs. You believe, girls, that Jesus has raised from the dead? You looking to Him tonight for help? Have you got... Have you got any a... Have you got a prayer card? All right. Just hasn't been called yet.

Jesus Christ makes you well. Believe with all your heart.

L-89 Come. Just a minute. Something happened. Be--be reverent. What do you think, sir. Do you believe? This man setting there, you were deeply in prayer about something, and you were believing. I don't know you; far as I know, I've never seen you in my life, but God knows you. If God will tell me what you're praying about, will you believe me to be His prophet, or His servant? You got varicose veins. You want God to heal them. If that's right, stand on your feet. Now, will you do something for me, as a brother, will you mind me as God's prophet? Stop smoking; God will heal you. Will you do it? Raise up your hand; promise me you will. Then set down. Go, get healed.

You're heart trouble left while you was standing here. Go on your road, and rejoice, and say, "Thank you, Lord."

L-90 Watch this audience here, I want to show you. A great percent of this audience is suffering with the same thing you are, nervous condition. You just go to pieces; you can't hold yourself. That's right. God's real, isn't He? Watch here. Everybody's got nervous--bothered with nervous trouble, stand up on your feet, just a minute, everywhere. How could you ever call all them, and every one of them believing it? Just look at there. Stand here just a minute. Just stand on your feet just a minute. I want to show you something from the--God.

I see you trying to get off of something. It's a step. Stepping sideways, arthritis. That's right. Everyone that's bothered with arthritis any way, stand up on your feet.

You got a lady's trouble; you've had it for a long time. It's a ovary you, abscess; you have a drainage from it. There's many of those out there in the audience. Watch. Every woman suffering with lady's trouble, stand to your feet. Stand right over here just a minute.

Nervousness, about ready for a break. Stand right here just a minute, the nervous people's already to their feet.

L-74 What if I told you you were healed, didn't say nothing about it, would you take my word for it? Go on, shout the praises of God.

Come, lady, what if I didn't say nothing to you, just said you were healed, would you take my word for it? Then the diabetes has left you, so you can on and rejoice.

When you raised up from that seat, something felt funny to you, didn't it? Your back trouble left at that time, so you can go on your road, and rejoice, and say, "Thank You, God."

You have a nervous condition which creates a heart condition. You're healed; go on your road, and rejoice, and say, "Thank You, Lord God."

Your main thing is nervousness, which has caused you to have a peptic ulcer in your stomach; you can't eat right. There's a group of them out here suffering with the same thing, that nervous condition. Let me show you.

L-75 All that's suffering with nervous condition, stand on your feet. Now, how would I call that thing there? There you are. Just remain standing a minute. Stand right here, sister. Come believing. Same thing as that man, nervous stomach, just the same thing. Stand right here. Just keep raising up, having faith; don't doubt, believing God. If you believe with all your heart, all right, come right along, bring right along.

All right, sir. All right, lady, you standing right here, you won't have to have the operation if you--if you really believe it with all your life; tumor will leave. Everybody with tumors out--out there with tumors of any type stand up on your feet, stand right back over in this side here.

L-76 Do you believe with all your heart? Everybody's got anything wrong with them, stand up on your feet just a minute. Now, do you believe God? Do you believe that what I've said is the truth? Is Jesus Christ the same yesterday, today, and forever? How many in here is believers, then raise your hands like this? Now, while you got your hands raised,

lay them over on somebody next to you that's got their hands raised. Now, lay your hands over now; I want you to do just what I tell you. Right here...?... Right back the rest of you in the prayer line, lay your hands right on each other. Now, I want you to pray this prayer after me. While I say it, you pray it.

Lord God, [Audience repeats prayer--Ed.] Creator of heavens and earth, Author of Everlasting Life, Giver of every good gift, I truly believe that Jesus Christ is the Son of God; He has raised from the dead; He has sent forth His Holy Spirit to continue His ministry in the church, until He returns in a physical body. I now believe that He is present, and I am a believer, and He promised this: "These signs shall follow them that believe: If they lay their hands on the sick, they shall recover."

Lord, I'm praying, for the person that I have my hands on. As I pray for them, and they pray for me, let Your Holy Spirit drive every doubt from my mind, that I may receive You as my Healer. I'll serve You all the days of my life; I'll testify to Your glory. Lord, upon Your Word, and Your promise, I now believe that I am healed.

Now, O God, we command the devil depart from this place, in the Name of Jesus Christ. There it is. You have it now. You are healed, every one of you. I pronounce you well in the Name of the Lord Jesus. [[Hebrews 13:8](#)], [[Mark 16:17-18](#)]

58-0625 - Southern Pines High School, Southern Pines, NC (Paragraphs: 72 - 90)

L-73 The Spirit of God is upon me, as His humble servant, to minister in the Name of His Son, Jesus. The Angel of the Lord, and which you see on the picture, is here at this platform, THUS SAITH THE LORD. And I take every spirit of every person in here, under my control for God's Glory. Do as you are told to be done. You shall see the Glory of God. Be reverent.

you well.

Do you believe me to be His servant? I don't know you. God does know you, but if He will reveal to me what you're here for, what your trouble is, will you accept it? It's all over the building everywhere, everyone be real reverent. Have faith, don't doubt. Here It goes.

The little woman setting right on the end there, suffering with nervousness, praying in her heart, "God, let him call me." That's right, lady, with your handkerchief up, if that's what you was praying, wave your hand like this. He heard your prayer. The little lady with the white collar on, THUS SAITH THE LORD, go home, your faith has made you well. I challenge your faith, anywhere, to believe it. [[Mark 11:22](#)]

L-87 You're here for someone else; that's a child. That's your grandchild, and your grandchild is not here; it's in another state, Georgia. And he's got some kind of a breaking-out, the child has, and it's got something wrong with the muscles. It's a skin a disease and a muscles. That's right. And here, that she might know that I be God's prophet; you're fixing to go to the mission fields right away. That's THUS SAITH THE LORD. Go, and God go with you, and believe with all your heart, and receive what you've asked for. Do you believe? Come believing now.

L-88 That back trouble left you setting there, while you was setting there, sister, just go on your road. And kidneys and things, just go on your road... nervousness... You're healed anyhow. Go believing God.

Your heart trouble left you while you were standing here. Go on your road rejoicing, say, "Thank you, Lord." You're already healed. All right.

Come here, lady; you're nervous. By that, it's cause you have a stomach trouble, a peptic condition. You can't eat right. Sours on your stomach; get acid on your teeth. That's right. I see you backing away from the table. Coffee upsets you, or anything like that, that's got an acid in it. Go home and eat.

L-85 Do you believe me to be His servant? You're aware, sister, that something's going on. Standing in the presence of a man wouldn't make you feel that way, because you're a Christian, and this Holy Spirit is so close to you, 'cause you're whole face and you're being becomes lit up to me. It's moving. See, I'm God's servant; you're God's servant. And God has give me a gift to express to you His love or the finished work He's done for you. See? You are a Christian, I mean a borned again Christian. All right.

You're suffering with an extreme nervous condition. You get mental nervous, and you're worst time is in the evening. You get real weak, and set down. You hate to see the sun get low, and make streaks in the skies; I see you kinda hide your face from it. And the... Satan's been telling you that you are going to lose your mind from it. He's a liar. You're in the Presence of Christ. Here's another thing, if you believe me to be His prophet, that you know--or His servant... That name stumbles people; I'm not His prophet; I'm just a man. See? But you also, are suffering with pyorrhea of the gums. That's THUS SAITH THE LORD. And you want me to also pray, what's just been praying about that you're overweight. That's right. And you have a great request on your heart, and a loyal request, you want to be a mother, to embrace a baby in your arms. That's THUS SAITH THE LORD. Go and receive it; I bless thee, my sister, in the Name of Jesus Christ. Amen.

L-86 Have faith in God. Don't you doubt.

I don't know you, lady. God does know you, but you believe me to be His servant? Just a minute.

You've got female trouble and kidney trouble. You've been setting there praying for the last few minutes. That's the woman I seen awhile ago, and you're up for an operation for it, but you refused to have it, because you've prayed before you come to the meeting, and said, "Lord God, let me get in that line, and I'll be healed." If that's right, raise your hands up to God. All right. Go home and be well, your faith made

All right. Frank, this--is this the man? All right.

Knowingly, there's not a person here that I know, outside of Dr. Vayle, that I can see. All in here is strangers to me. But you look to Christ now. Find out, if that Angel of the Lord, that Pillar of Fire, back there, if that's the same Spirit was on Jesus Christ, it'll produce His Life tonight. If it produces any other life besides His, it isn't Him. If it does, every tree is known by the fruit it bears. Then there's a scientific world knows it, and the church knows it. What will you do with it?

In the Bible there was a man by the name of Philip, who went and found his friend Nathanael, and brought him to the meeting the first time, that Jesus had ever met Nathanael, and He said to him, "You're an Israelite, in whom there's no guile."

He said, "When did you know Me, Rabbi?" And He told him where he was, or something was on his heart before he come to the meeting, and he recognized Him to be the Christ. [[John 1:47-48](#)]

L-74 Would you do the same thing, young man? I don't know you. Are we strangers to one another? [The young man says, "You just spoke to me this morning going to breakfast."--Ed.] I spoke to you, this morning going to breakfast, all I said was, "How do you do, or something like that?" That's the only meeting we've ever had. I have no more idea what you're there for, sir, than nothing in the world. You're just a young man; that's all I know. God knows. I did not discourse with you, or say anything to you, or ask you any questions, or you told me nothing. Is that right?

If the Lord will tell me what's your trouble, now if I said, "You're sick, go lay my hands on you, you go to get well." You could believe that. But then, what if the Lord goes back down in your life, and gets something that you know I know nothing about, then you--that'll have to be a miracle. Anyone knows that a miracle is something, cannot be explained. That would be a greater miracle, than for this, my brother setting

here, to rise up from the wheelchair and walk tonight, or persisted--greater miracle. Now, if He does, then what does it?

Now, here I am. Do you realize where I'm standing, you Christians? Anybody want to walk here and take this place? You're welcome. Take your prayer line, you're welcome. Everyone in that prayer line that knows that I don't know you, raise up your hands, every one of you in that prayer line. See everyone. Everyone out in here, that knows I don't know you, raise up your hand.

Now (See?), no slip ups; it has to be God now or I told a lie. But if you stand for Him, He will stand for you, if you're called to do so.

L-75 Now, here I am; my hand's to God. We don't believe in swearing, but both of us had our hands up, that we've never met before in life--just a man walked here to the platform. If the Lord God will reveal to me what you are here for... If you're sick, I couldn't heal you, 'cause I have no power to heal you. But if the Lord God would tell me what you're here for, your trouble, like He did the woman at the well, or something like that, would you believe that He loves you, and would want to give you what you desire? All right. That's good. Would the rest of the audience believe it, when you see me and the boy here both, by the side of God's Bible here, with our hands in the air, that I've have never met before, no more than he said, "How do you do, this morning." and I said, "How do you do." to him.

Now, there has to be something happen. Now, here it is. God's got to speak or I'm a liar, and if He doesn't, then His Word's wrong, 'cause He promised He'd do it. He said, "I am the vine; you are the branches. The works that I do, shall you also."

Now, to you out there, that hasn't prayer cards, you pray; you say, "Lord, let him turn to me like he did there. I may be a little skeptic, Lord, but forgive me, and let him tell me. I

in the middle of you; she has diabetes. Put your hand on her, and you can all be well.

Do you believe? What did they touch? They touched the High Priest, not me. I don't know them; never saw them in my life. Have faith in God. See? Just believe. [\[Mark 11:22\]](#)

L-83 Ever who that was that He called, wherever it was... You say, "How is it done, Brother Branham?" I just watch that Light, the way It goes. And the Light stands over someone and breaks, and I watch the vision, what happens. Jesus said, "I do nothing until the Father shows Me first, what to do." Is that right? Saint John... He saw in a vision, what to do, or He told something wrong. "Verily, verily I say unto you, the Son can do nothing in Himself but what He sees the Father doing." Then they called Him a fortune-teller, the Spirit of God. What is a fortune-teller? A perverted spirit, the devil. Fortune-tellers don't preach the gospel, and call to repentance, and pray for the sick, and so forth. It's your faith in God. He's a living God. Just be reverent. [\[John 5:19\]](#)

L-84 Someone please. I keep seeing a younger woman in you, but I don't know where she's at. Keeps leaving. Be reverent now.

Way back towards the back, I can't tell you how many... where it's at. It's a man, setting right here, the Light's right over him; he's got a--a gallbladder trouble. He's praying for it. Way back towards the end. He's praying also for his father-in-law, which is a cripple. Do you believe, sir? Raise your hands, if you believe. If that's the truth, wave your hands like this. You have no prayer card? No. All right. Go home and find it the way you believed it, in the Name of the Lord Jesus.

What did he touch? What did he do? Ask him. He was praying, and God heard him. If that's right, sir, wave your hand. The man back there that was just healed, wave you hand, if that's right, if you was praying. See? No matter where you're at. Have faith in God. [\[Mark 11:22\]](#)

blood pressure. That's right. I see you in a doctor's office. He's pumping the blood up, and he says, it's high blood, too high for your age. That's right. Kinda heavy man. Correct. Now, you know I wouldn't know that; I wasn't there with you. But I was just a moment ago; God knows everything that you've done. Now, do you believe?

Just moment, there's something else wrong with the woman too, 'cause I see him do something else. Yes, he's examining you, you got a heart trouble. That's the truth. And you've got a skin trouble, and that skin trouble is odd, it's underneath your arms. That's right. And you've got trouble with your head. Do you believe God knows who you are? Miss Pearl. That's exactly right. Go home. Jesus Christ makes you well. Amen. You know when it happens. Just have faith in God. [\[Mark 11:22\]](#)

L-81 Sister, dear, I don't know you. Never seen you in my life, but God knows you. If God will reveal to me, what you're here for, will you believe me to be His servant, and will accept it? What you're here for, for me to pray for, is your eyes. Now, someone's going to say, sure she has glasses on, that's the reason he said it. No, it wasn't. Let's find out. You've got nerve trouble too, a bad nervousness. That's right. Eyes and nervousness. Miss Matthews, you can go on your road home and be well. Jesus Christ heals you. That took all the doubt out, didn't it? Amen. Have faith in God; don't doubt.

Now, I... See, I'm getting so weak, the audience is beginning to get blinded out, like to me. Just believe now. Have faith. Now, the... Jesus, here at the platform, working this way, is just the same Jesus out there. Do you believe it? [\[Mark 11:22\]](#)

L-82 The lady setting right there with that skin disease, skin trouble. You believe the Lord will make you well? You do. All right, you can have your healing.

The lady next to her, has a... Another one across from you, second, has a skin disease too, that's right. Now, if you believe me to be God's prophet, put your hand on the woman

L-76 As I say, I've never met you. We were probably born years apart, miles apart, and our first time to have a conversation. But if the God of Heaven, Who's fed you all your life, that knows you, and He knows me, if He will tell me your trouble, will you believe me to be His prophet, or His servant?

If the audience can still hear my voice, the young fellow standing many... several feet from me, but between me and him stands that Light. And the young man's aware that's something's going on. What it is, I see a... He's not standing here for himself; I see a child appear. It's a little girl; she's got polio, and he's standing... God bless you, son. May the Lord God grant to you your request is my prayer. Amen. God be with you, son.

Do you believe? What is it? The queen of the south come from the uttermost parts of the earth to hear the wisdom of Solomon, by a gift, and behold a greater... Not me now, a greater than Solomon is here, the Holy Ghost, the same Holy Ghost. The Holy Ghost that was upon Christ working in His church. If that young man would've never believed, it would've never happened. [\[Matthew 12:42\]](#)

L-77 This woman here, I do not know you, lady. I've never seen you in my life. This is our first time meeting, is it? If it is, would you just raise up your hand? All right. Take Saint John 4, just now, for an example; see if Jesus lives today, if He's raised from the dead. A man and a woman met the first time in life, a Samaritan woman, and a Jewish man. Jesus was setting at the well; the woman come up to draw water. He asked her for a drink; she said, "It's not customary, segregation."

And Jesus went to talking to her, till He found where her trouble was, and He told her where her trouble was. How many ever read the story? And He told her her trouble, said,

"Go get your husband and come here."

She said, "I have none."

"That's right, you got five."

And she said, "Sir..." She never called Him a devil. She never called Him a fortune-teller, like the preachers did. She said, "Sir, I perceive that You're a Prophet." She knowed more about God than the preachers did, though she was a prostitute. She said, "I perceive that You're a Prophet. We know when the Messiah cometh, that'll be the sign of the Messiah. The Messiah shall tell us all things." Does the Bible say that, say, "Amen", if it does. [The congregation says, "Amen."--Ed.] Certainly. Then if that was the sign of the Messiah then, if He's raised from the dead and is a living, it's the sign of Messiah tonight, for He's the same yesterday, today, and forever. L-78 Now, here's the woman, we're not the same age, first time we've ever met. Never met you in my life; know nothing about you. And if God will reveal the secret in your heart to me, then it'll have to come through some power; be up to you to... If you say it's the devil, then you get his reward; you say it's God, you'll get His reward. I don't know you; God does. I'm just a man.

The lady, if the audience can still hear my voice, she's seems to be leaving from me; she's very conscious that something's going on. And the woman is suffering with something wrong with her feet. She has a foot trouble. That's right. If that's right, raise up your hand? How would I know it? Would you say, I guessed it? Let me show you. God grant it, if He will. Be reverent. She's a good person; let me talk to her just a little longer, if we have to cut the line a little, talk to her, so you'll see.

I don't know what I told you. Ever what it was was the truth, because it wasn't me speaking; it was Something else speaking. I'd be just like that microphone, a mute; unless something speaks through it, it can't talk. I couldn't say

nothing's wrong with you, or about you, not knowing it, unless Something spoke through me. It'd have to be.

Do you believe it was God? You do? Thank you. "You shall see greater things than this," Jesus said that to Nathanael. Yes, I see the woman coming back, it's her feet, and she's--they're bad--bad. And she's had one, two, three operations on those feet. That's correct. And by the way, you are a nurse, to begin with. That's right. You have to stand on your feet. That's true. Do you believe me to be God's prophet? I tell you something else; you're a church member; you go to church. And your church, you're a Baptist; that's THUS SAITH THE LORD. If that's right, raise your hand. Go home and be well. Your faith makes you whole. Amen. [[John 14:12](#)]

L-79 Do you believe? Just have faith in God.

We are strangers to each other, I suppose, lady. Our first time meeting. If the Lord God... Now, something happened, just a minute. I seen a dark shadow pass in the spirit, and it isn't this woman.

Now, somebody touched Him. Over in a corner here, epilepsy, you have epilepsy, don't you, lady? Fall--fall out. That was that dark spirit. Don't worry. Do you believe God with all your heart? Go home and they'll leave you. Have faith in God.

I want to see, just a minute. Lady, did you have a prayer card? You don't have a prayer card? You didn't have a prayer card. I don't know you, do I? Never knowed you, you never had a prayer card? All right, but your faith... You touched Something; what did you touch? Your faith touched the High Priest; He turned around. The devil got excited; that's what happened. Just reject it, when it starts again, just turn it down, walk away, you'll get well. [[Mark 11:22](#)]

L-80 You lady, you believe me to be His servant? If God will reveal to me what you're here for, will you believe with all your heart? You're suffering, one thing, with something that puts around your arm. A doctor's pumping up... It's high
